# INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

- 1. Information needed to locate records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can.
- 2. Restrictions on release of information. Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. An authorization signature, of the service member or the member's legal guardian, is needed in Section III of the SF180. Others requesting information from military personnel/health records must have the release authorization in Section III of the SF 180 signed by the member or legal guardian, but if the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the public. The next of kin may be any of the following: unremarried surviving spouse, father, mother, son, daughter, sister, or brother. Employers and others needing proof of military service are expected to accept the information shown on documents issued by the military service departments at the time a service member is separated.
- 3. Where reply may be sent. The reply may be sent to the member or any other address designated by the member or other authorized requester.
- 4. Charges for service. There is no charge for most services provided to members or their surviving next of kin. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified as soon as that determination is made.
- 5. Health and personnel records. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs a week or two after the last day of active duty. (See page 2 of SF180 for record locations/addresses.)
- 6. Records at the National Personnel Records Center. Note that it takes at least three months, and often up to seven, for the file to reach the National Personnel Records Center in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training. (See page 2 of SF180 for record locations/addresses.)
- 7. Definitions and abbreviations. DISCHARGED -- the individual has no current military status; HEALTH -- Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL Temporary Disability Retired List.
- 8. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.
